

Leading Westport Family Health's primary and walk-in/urgent care team are three experienced, board-certified physicians:

Richard Singer, MD

Board certified in internal medicine, Dr. Singer has been in practice since 1985. A graduate of the University of California Medical School, he performed a residency in internal medicine at Cedar-Sinai Medical Center. He has a special interest in treating and managing Lyme disease.

George Iannini, MD

In practice since the early 1980s, Dr. Iannini graduated from Georgetown University Medical School. He is board certified in internal medicine and has a special interest in infectious diseases. He performed his residency and fellowship at Danbury Hospital—the residency focused on internal medicine and the fellowship in infectious diseases.

Sally Jane Ciron, MD

A graduate of St. George's University Medical School, Dr. Ciron is board certified in family medicine. She performed her internship and residency at the University of Connecticut Health Center, taking part in its Family Medicine Residency Program.

Drs. Singer, Iannini and Ciron are all members of Norwalk Hospital's Medical Staff and accepting new patients.

Westport Family Health is a Norwalk Hospital physician practice.

Our modern office is open seven days a week and conveniently located just minutes off of Interstate 95's Exit 18.

WESTPORT FAMILY HEALTH

 A Norwalk Hospital Physician Practice

WESTPORT FAMILY HEALTH

 A Norwalk Hospital Physician Practice

Providing expert, compassionate primary and walk-in/urgent care to adults and adolescents

Generations of families have come to rely on Westport Family Health for prompt, quality primary and walk-in/urgent care services.

Dedicated to treating the whole patient, our experienced physicians specialize in diagnosing and treating patients with multiple conditions.

Indeed, our medical team provides ample time for examinations, with each patient receiving the personalized attention, and health and wellness education, she or he deserves.

For those needing a referral to a specialist for more advanced care, our affiliation with Norwalk Hospital provides convenient access to the region's leading specialists and state-of-the-art acute care and surgical services.

Primary Care

Westport Family Health provides primary care services by appointment to adolescents and adults. Based on each patient's needs and preferences, our

comprehensive range of preventive, diagnostic and primary care services include:

- Illness and injury diagnosis and treatment
- Physical exams, including those needed for school and sports
- Diabetes treatment and management
- Lyme disease treatment and management
- Immunizations, including those needed for international travel
- Corporate health and workers' compensation

At all appointments, patient education and preventive strategies are stressed. Genetic and lifestyle risk factors for illnesses are explained, with patients given advice and counseling on the nutrition, exercise, supplements and preventive exams that are right for them.

Walk-in/Urgent Care

Westport Family Health offers patients needing urgent medical care for a non-life threatening illness or injury prompt, high-quality, convenient treatment in a stress-free physicians' office setting.

Our walk-in/urgent care team diagnoses and treats a wide range of illnesses and injuries, including:

- Respiratory infections
- Lacerations and puncture wounds
- Sprains, strains and fractures
- Gastrointestinal problems
- Acute headaches

In the event of an emergency requiring hospitalization, we arrange for the patient to be taken by ambulance to the hospital.

Westport Family Health offers, among other convenient services and amenities:

- Blood drawing
- X-ray services
- Clean and airy examination rooms
- Comfortable waiting area
- Free wireless internet
- Large-screen television
- Patient educational materials

Our staff speaks English, Spanish and Portuguese.

Because we know you don't schedule an illness in advance, Westport Family Health is open seven days a week and includes evening hours. Our office hours are:

- Monday through Thursday, 9 am to 8 pm
- Friday, 9 am to 7 pm
- Saturday, 9 am to 4 pm
- Sunday, 10 am to 2 pm

For after-hour emergencies, one of our doctors is always on call.

New patients are welcome.

Westport Family Health accepts most major health insurances and looks forward to caring for you.
